NSTEP Service Through Mobile Phones Rolled Out By High Court Of Karnataka

Hon'ble Shri Justice Ritu Raj Awasthi, the Chief Justice, High Court of Karnataka rolled out the NSTEP service through the use of the mobile phone by symbolically handing over the mobile devices to Process Servers of the City Civil Court Bengaluru. NSTEP application without mobile phones was already implemented in all the courts of Karnataka. The Civil and Criminal processes generated in CIS are consumed regularly by the NSTEP application and each process is allocated to different bailiff/process servers by the Process administrator.

The offline entry of delivery status is working satisfactorily. Karnataka High Court procured a total of 2638 mobile phones and each device is installed with the required applications. All these devices are centrally managed at the High Court of Karnataka through MDM (Mobile Device Management) application. The District Court Software Technicians and staff have been trained to use the NSTEP application on mobile phones. The location, photo and the signature of the receiver are also captured on a real time basis.

Citizen-centric services(E-Seva Kendra, Help Desk, VC Cabin) inaugurated at High Court of Karnataka, Principal Bench

An important aspect of the e-Courts project is to provide Citizen-Centric Services for Lawyers, litigants and the public at large. In pursuance of this, Hon'ble Shri. Justice Ritu Raj Awasthi, the Chief Justice, High Court of Karnataka, inaugurated the E-Seva Kendra, Help Desk, and Video Conferencing Cabins at the premises of High Court of Karnataka, Principal Bench, Bengaluru in the august presence of Hon'ble Shri Justice P.S. Dinesh Kumar, Chairman of the Computers and Technology Committee, High Court of Karnataka, and other Hon'ble Judges of the High Court of Karnataka. Learned Advocate General, Learned

Additional Solicitor General of India, President and office bearers of Advocates Association, Bengaluru, and members of the bar were present during the event. Hon'ble Chief Justice in his inaugural address, emphasized the importance of these facilities for the members of the bar and litigants and gave a call to use the citizen-centric facilities.

Citizen's can avail the following services through e- Sewa kendra:

- Handle inquiries about case status, next date of hearing, and other details related to case management.
- Facilitate online applications for certified copies and assistance on the status of copy applications.
- Assistance in downloading the mobile App of eCourts for Android and IOS.
- Facilitate disposal of traffic challans in virtual courts as also online compounding of Traffic challans and other petty offences.
- Explain the method of arranging and holding video conference court hearings.
- Provide soft copies of judicial orders/ judgments via email, WhatsApp, telegram, or any other available mode.
- Kiosk Service to enable the advocates and litigants to check case status, next date of hearing, and other details available.
- Assistance in registering with the eFiling portal including scanning facility, e-Seva Kendra, Help Desk and VC Cabin will serve the members of the Bar, Litigants, and Public at large as a one-stop center for availing all the citizen-centric Services.

Launch of Indian Law Reports (Karnataka Series) Online Application through intranet

Hon'ble Shri Justice Ritu Raj Awasthi, the Chief Justice, High Court of Karnataka launched Indian Law Reports (Karnataka Series) Online Application through the intranet for the benefit of the Hon'ble Judges and Judicial Officers in the State.

The online application provides a soft copy of the Reported Judgments. The use of the ILR Karnataka Series online will reduce the pressure for printing the Law Reporter. The application also has various search parameters for easy access and reference.

Help Desk

The screenshot displays the Help Desk interface. At the top, there is a 'Help Desk' button with a question mark icon. Below it, three summary cards show the status of issues: 'Unresolved Issues' (11), 'Resolved' (63), and 'Closed Issues' (66). Below the summary cards is a table of issue entries. The table has the following columns: SN, District, Complex Name, Issue Reported By, Ticket ID, Issue, Reported On, Resolved On, and Closed On. The table contains three rows of data.

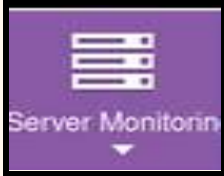

SN	District	Complex Name	Issue Reported By	Ticket ID	Issue	Reported On	Resolved On	Closed On

One very useful menu available for the admin user is the online “Help Desk” option. The status of the troubleshooting is displayed indicating the number of resolved, unresolved and closed applications. Under the “Help Desk” option, one can log in and enter the required Technical Help, which will be assigned a ticket number. The District level technical Admin users can make an entry of their troubleshooting in this option.

which will then go to the State level team for resolving. If the troubleshooting relates to the District level or Taluk level issue, the same will be handled by the State team. Only when the issue relates to the National level, does it need to be forwarded by the State Admin to the National Level. Once the issue is resolved, it will be displayed as closed.
